

CITY OF HAYWARD
AGENDA REPORT

AGENDA DATE 11/25/03

AGENDA ITEM 7

WORK SESSION ITEM _____

TO: Mayor and City Council
FROM: City Manager
SUBJECT: Medical Marijuana Dispensaries

This item appears on the agenda at the request of Mayor Roberta Cooper. The Mayor wishes to ascertain if the Council is interested in reconsidering its decision of November 18 with regard to the "grandfathered" facilities.

The item before the Council is a procedural one. The only issue is whether to revisit the Council's earlier decision. If the vote is in the negative, the previous decision stands. If the vote is in the affirmative, the substantive issues would be agendized for discussion at a future meeting, possibly as soon as December 2.
